KENSINGTON'S VISION

TO BE THE MOST PROGRESSIVE AND EQUIPPED INTERNATIONAL SCHOOL
WITH EXCEPTIONAL GLOBAL STANDARDS
AND EXCELLENCE IN EDUCATING WELL-ROUNDED
AND HAPPY LIFELONG LEARNERS.

At Kensington, we have designed our curriculum with the intent that our children will have the foundations to be ambitious and successful adults.
We motivate them to be the best they can be, empowering them to be confident, communicators, global citizens, and lifelong learners.

ECO
REMINDER

Please consider the environment before printing.

At Kensington International School, we are dedicated to environmental sustainability and proud to have the Eco Schools Silver Award. We encourage the entire school community to protect the environment.

Therefore, this booklet is available in a digital format to reduce environmental impact.

KENSINGTON VALUES — THE DREAMS

At Kensington we want our children to be happy lifelong learners and fulfil their 'DREAMS' by empowering children in a supportive and nurturing environment guided by our core values:

D - Developing growth mindset

We are dedicated to nurturing a growth mindset in our children, empowering them to embrace challenges, persist in the face of setbacks, learn from mistakes and maximise their potential for learning and growth.

E - Embracing independence

We are dedicated to fostering independence in our children, empowering them to take ownership of their learning, make informed decisions, and navigate the world with confidence and self-reliance. We want to promote an environment that cultivates critical thinking, fosters problem-solving skills, promotes initiative and embraces risk-taking,

M - Modeling kindness

Kindness is not just a value—it's a way of life. We are committed to modelling kindness in everything we do, creating a culture where empathy, compassion, and respect for others is woven into the fabric of our school community. Together, we build a brighter, more compassionate world, one act of kindness at a time.

R - Respect for everyone

We are committed to fostering a culture of respect where every individual is valued, included, and empowered to thrive. Together, we build a community where differences are celebrated, empathy is embraced, and respect is paramount.

A - Active teamwork

We are committed to nurturing active teamwork as a fundamental value that empowers our children to collaborate effectively, lead with integrity, and make a positive impact on their communities and beyond. Together, we build a culture of teamwork, innovation, and excellence where every student has the opportunity to thrive and succeed.

S - Sparking creativity

We are committed to igniting creativity in the children of Kensington, empowering them to unleash their imagination, explore their passions, and make meaningful contributions to the world around them. Together, we cultivate a culture of creativity, innovation, and lifelong learning that prepares students to thrive in a rapidly changing world.

OUR CURRICULUM — EYFS CURRICULUM In International Context

Play-based learning is the methodology used to underpin the curriculum for young children. The rationale behind embracing this philosophy is multi-faceted; however, primarily we want every child to be motivated, engaged and independent in their learning. Research tells us that play is vital in Early Childhood as it allows children to make sense of their world and encourages active learning.

Active learning is something which helps children to develop some of the skills they will need throughout their school and adult lives. For example, they can practice social and language skills, challenge themselves in physical activities, experiment and think creatively and develop a sense of their own identity.

We provide surroundings where children can explore and discover and where their natural curiosity, creativity and imagination are cultivated. As teachers, we are committed to providing a safe and stimulating environment where children can explore with confidence. Teachers will act as positive role-models, available to encourage and extend children's play and to encourage more complex thinking. Children will be treated as individuals and as such, each will follow an individualised learning plan which will be continuously reviewed by their teacher, following ongoing observations.

Together, we are preparing today's children for tomorrow's world. This will be possible if we work collectively, providing a warm, happy and caring community in which to enable our children to flourish

PARENT COMMUNICATION

Lead Teacher

Your child's class teacher is your first port of call to contact if you have any questions regarding your child's classroom experience, learning or school life in general.

Year Group Team Leader

If you have a bigger question or query then this will be passed on by the class teacher to the year group team leader and they will then support you.

Preschool Department Leader

If there is still no resolution the class teacher and team leader will pass on your concern or query to the Preschool Department Leader, Ms. Mitchell to support you further.

Pastoral Assistant Head

Ms Mc is also a port of call to support parents and families. The Assistant Head for your child's phase may refer you to talk to Miss Mc if there is a behaviour, SEND, well being or safeguarding query.

Office

The office team is there to support you for any queries and support to do with payments, school uniform and purchasing.

Headteacher

The office, Preschool department leader and/or Pastoral Assistant Head may pass on escalated concerns to the Headteacher, Ms Tracey.

ClassDojo

At Kensington International School, we utilise Class Dojo, an online platform designed to keep parents engaged and informed about their child's learning journey.

Each week, parents receive one personalised portfolio post showcasing their child's learning, along with two general class updates from the lead teacher about classroom learning. Additionally, there are regular posts from specialist teachers and a whole school page providing important updates and key information.

Parents can also upload weekend or holiday news and key achievements onto their child's portfolio and directly contact class and specialist teachers through Class Dojo messages, within working hours

ACADEMIC CURRICULUM PRESCHOOL

Kensington
International School

Preschool | Academic Curriculum

TOPICS OVERVIEW

Each term's learning journey in the early years is centred around a captivating concepts presented through a provocation. These thoughtfully planned environments are designed to ignite the children's natural curiosity and enthusiasm for learning. Our young learners are also encouraged to follow their own interests, delving deeper.

TOPIC – Identity and Belonging

This term, we're focusing on 'Identity and Belonging'. This means helping each child feel safe, seen, and valued as they begin to explore the world beyond their family. We'll support them as they settle into new routines, get to know their teachers, and start building friendships.

Through simple play experiences, family photos, songs, and stories, preschoolers will begin to recognise themselves as part of a group while developing confidence in who they are.

This focus is important because feeling secure and connected lays the foundation for our preschoolers to build confidence, manage emotions, and develop early social and communication skills

TOPICS OVERVIEW

TOPIC Term 2a— Curiosity and Connection

Building on our strong sense of Identity and Belonging, our preschoolers are now ready to look outward, noticing, exploring, and beginning to form connections with people, materials, and the world around them.

We'll use digital cameras to see what captures their interest, helping us follow their lead and deepen their discoveries. Shared play and small group moments will continue to strengthen social bonds and encourage communication.

As they grow in confidence, their curiosity drives learning, supporting thinking, language, and early social skills like empathy, cooperation, and shared focus.

TOPIC Term 2b— Expression Through Many Languages

Building on their curiosity and connections, preschoolers will explore many ways to express themselves – through drawing, painting, clay modelling, singing, dancing, loose parts and imaginative play.

We'll provide materials and activities that encourage creativity, with a focus on process.

We will develop fine motor skills, coordination, and emotional expression. Using these different “languages” supports our preschoolers in sharing their thoughts and feelings, strengthening their communication, and growing confidence as creative learners.

TOPICS OVERVIEW

TOPIC Term 3— Growth and Change

Building on their creative expression, our preschoolers will explore how they and their world are changing every day. We'll notice simple changes like growing taller, learning new skills, and caring for plants as they grow. We'll also share stories like *The Hungry Caterpillar* to help children understand change and prepare for exciting transitions, such as moving to Preschools or Nursery at the Kindergarten. Understanding growth and change helps preschoolers to feel confident, manage their feelings about new experiences, and develop a positive attitude toward learning and adapting. At this stage, our preschoolers' language skills allow them to express their thoughts and feelings about change not only through words, but also through gestures and other forms of communication, deepening their understanding.

PRESCHOOL Academic Curriculum OVERVIEW

At Kensington, our Early Years curriculum is based on the Early Years Foundation Stage framework of England. The curriculum is facilitated through our individualised topics and child-led learning experiences, introducing children to a stimulating and engaging school life; where they begin their journey to become happy life-long learners in an approach that develops learning through play. The framework develops concepts, skills, learning strategies and positive attitudes across the intellectual, social and physical areas of learning.

The Early Years takes into account the four main principles of the Early Years curriculum, focusing on the child as a unique individual; the positive facilitation of learning through the enabling environment and learning spaces; the development of positive relationships and embracing the different styles and pace of learning and development for all children.

Preschool - Academic Curriculum

The Preschool curriculum consists of the following 3 PRIME areas of learning

- Personal, Social and Emotional Development (Self-Regulation, Managing Self and Building Relationships).
- Communication and Language(Listening, Attention and Understanding and Speaking).
- Physical Development (Gross Motor Skills and Fine Motor Skills).

Whilst the other 4 areas are not a focus we do touch on them.

- Literacy (Comprehension, Word Reading and Writing).
- Mathematics (Number and Numerical Patterns).
- Understanding of the World (Past and Present, People, Culture and Communities and the Natural World).
- Expressive Arts and Design (Creating with Materials and Being Imaginative and Expressive).

In the Early Years, the curriculum considers each individual child's needs; ensuring that children are making continuous progress whilst maintaining confidence and a can-do attitude. It incorporates early literacy and mathematical skills, as well as encompassing a play-based philosophy, which links social interaction and theme-based learning.

“Although we explore the seven areas of learning through our environment, we also have a special focus on the three Prime areas which are: Personal, Social and Emotional Development, Communication and Language and Physical Development. The skills a child develops in these areas are an important foundation to becoming a happy life long learner.”

CURRICULUM ENHANCEMENT PRESCHOOL

Kensington
International School

LIBRARY

In Kensington our library has been purposefully built as the heart of the Primary building. We want our school library to be a welcoming and happy place where children, families and teachers can sit comfortably and spend time together developing a love of reading.

Introduction to Books: Show them different types of books such as board books, picture books, and touch-and-feel books. Teach them how to handle books gently and turn pages carefully.

Reading Aloud: Read aloud to them regularly, pointing to pictures and talking about what you see. Encourage them to ask questions and engage with the story.

Storytime: Attend library storytime sessions designed for Preschools. These often include songs, rhymes, and interactive storytelling, which help develop language and social skills.

Book Browsing: Allow them to explore the children's section of the library independently. Teach them how to select books that interest them and bring them to you for reading together.

Library Etiquette: Teach basic library etiquette such as speaking softly, walking instead of running, and returning books to their proper places after reading.

Sing Along: Incorporate songs and fingerplays related to books and reading into your daily routines. Many libraries offer CDs or online resources with children's songs and rhymes.

These library skills aim to empower Preschool learners to become confident and independent users of library resources, **preparing them to engage in more complex research and inquiry-based learning activities.**

SPLASH POOL

In our splash pool sessions our Preschool children will become confident with water play and this prepares them for Swimming lessons in Nursery and beyond.

Some of the objectives that splash pool helps develop across the areas of learning are:

- Explore different materials and tools
- Feel confident in new environments
- Enjoys playing alone and alongside others
- Responds to simple questions; who what and where

PLAY ROOM AND MYGYM

In our play room sessions our Pre-Toddler children are able to explore the purpose built environment in a variety of different ways. Our Toddler children will access our purpose build MY GYM with an unique specialised adapted program for their age and development.

Some of the objectives that the soft gym helps develop across the areas of learning are:

- Gradually gain control of the body through continual practice of large movements, such as waving, Kicking, rolling, crawling and walking
- Walk, jump, run and climb-and start to climb ladders on play equipment
- Enjoys playing alone and alongside others.

THAI INPUT

Your child's home language is extremely important for your child's language and communication development therefore we ensure we have a Thai input in our Toddler class where the children can develop their early literacy skills in Thai as well as English.

Some of the objectives that our Thai story session helps develop across the areas of learning are:

รับรู้และเข้าใจความหมาย ของภาษาตามวัย

นักเรียนควรได้เรียนรู้เรื่องต่อไปนี้

- ร้องเพลงตามทำนองเพลงและทำท่าประกอบเพลง
- สนใจดูหนังสือนิทานภาพร่วมกับผู้ใหญ่
- ฟังนิทานประกอบภาพ

แสดงออกและ/หรือ พูดเพื่อ สื่อความหมายได้

นักเรียนควรได้เรียนรู้เรื่องต่อไปนี้

- พูดเป็นวลีสั้นๆ
- มักจะถามคำถาม “อะไร” และ “ทำไม”

วัฒนธรรมไทย

นักเรียนควรได้เรียนรู้เรื่องต่อไปนี้

- การไหว้ ทักทาย ขอบคุณ
- ประเพณีไทย เช่น วันลอยกระทง วันสงกรานต์ เป็นต้น

HOLISTIC CURRICULUM PRESCHOOL

Kensington
International School

Kensington

International School

KENSINGTON PASSPORT

The 'Kensington Passport' embodies our commitment to holistic growth, valuing it as highly as academic achievement.

Our motto for the passport, '**Dream Big**' encapsulates this vision. By completing the Kensington Passport, **Kensington children will engage in activities that reflect our core school values, the Kensington DREAMS.**

These diverse activities can be undertaken at home with their families or within their community, each one aligning with a specific **Kensington DREAMS** value. This initiative not only strengthens family and community bonds but also instils important values in our children at Kensington.

At the end of the year, efforts are recognised with awards corresponding to the number of activities they have completed.

Through the Kensington Passport, we aim to **nurture well-rounded individuals who dream big and achieve their fullest potential.**

KENSINGTON VALUES

In order for our Kensington learners to fulfill their **DREAMS** we will be focusing on two values per term. This will enable our children to further understand what each value represents and how they themselves can achieve them at school and in their wider community.

Term 1	Term 2	Term 3
Growth Mindset	Independence	Kindness
Respect	Teamwork	Creativity

Kensington

International School

KENSINGTON HOUSES

At Kensington International School, every child and staff member becomes a member of one of the following four houses.

The aim of the house system is to give children more opportunities to show how they can use our Kensington **DREAMS** whilst also instilling a strong belief in teamwork.

Through healthy competition, the children will gain the feeling of responsibility and camaraderie that comes with being part of a team.

Two house competitions are held every half term throughout the school year; one academic and one sporting. These competitions give the children the opportunity to win house points. These points are totalled at the end of the school year and the house with the most points at the end of the year will win the overall house competition.

Every Friday and during official house events, children and staff will wear a house t-shirt to represent their house. Each child and member of staff will be given a house shirt at the beginning of the year.

EDUCATIONAL VISITS

One of the most exciting aspects of Early Years is the opportunity to visit new and exciting locations and invite visitors into school.

Children develop their independence skills as well as accessing activities that are not possible inside the day to day classroom. Each year group visits a different location and participates in exciting, new and innovative activities which directly link to the skills being focused upon in class.

In Pre-Toddlers the children will have a special visit to My Gym in KLS to prepare them for Toddlers.

Term 3

In Toddlers the children will go on one trip to prepare themselves for Nursery:

Term 3

CHARITY & COMMUNITY

At Kensington International School, we believe in the importance of nurturing a strong sense of community and charity in our children.

Engaging in community work and charitable activities not only helps children develop empathy and compassion but also teaches them the value of contributing to society.

By creating links with the local community, our children learn the significance of civic responsibility and the impact they can make. Charitable giving and support are essential for fostering a culture of kindness and respect, aligning perfectly with the Kensington Dreams: growth mindset, respect, independence, teamwork, kindness, and creativity.

Our initiatives include completing the Kensington Passport, Art Fundraising Week, Pride fundraising event, Christmas Bring and Buy Sale, and KLS being a 'Donation Drop Off' zone, provide practical opportunities for children to embody these values while making a positive difference in their community.

ACTIVITIES & EVENTS

Month	Events	Parent Involvement
October	Black History Month	No
	International Week	Yes
	Diwali	No
	Halloween - Spiders & Pumpkins	No
November	Loy Krathong	Yes

December	Christmas Songs	Yes
January	Book Week	Yes
February	Lunar New Year	No
March	Makha Bucha	Yes
	Fundraising week / Art Auction	Yes
April	Songkran	No
May	Preschool and Nursery Sports Day	Yes
June	Pride Month	No
	Wai Kru	Yes

PARENTAL INVOLVEMENT

Parental involvement is vital for children's academic success and holistic development.

When parents actively engage in their children's education, it creates a supportive learning environment, boosts their confidence, and enhances their overall well-being.

At Kensington International School, we recognise the importance of fostering strong partnerships between home and school to ensure our children thrive.

PARENT WORKSHOPS

Our staff host a variety of workshops on topics parents have requested support with, such as independence, behaviour, reading and phonics, Thai skills, and more. These workshops are designed to equip parents with the tools and knowledge to support their children's learning and development at home.

PARENT PARTICIPATION

Once each term, parents are invited into their child's class to observe a live teaching and learning session. This allows parents to gain insight into the classroom environment and understand the teaching methods used at Kensington International School.

EVENTS

Throughout the year, we may request parental support or involvement for key events. Please refer to the events page for further details on which events require parental participation.

PARENT MEETING

Parents are invited to meet with their child's Lead Teacher three times a year. During two of these meetings, teachers will provide a short feedback form outlining the child's progress and 2-3 targets for the next term. Additionally, parents will receive a comprehensive end-of-year report in June.

CLASS REPS

Each class will have a designated parent representative, known as a 'Class Rep'. Class Reps attend termly meetings three times a year to discuss key issues within Kensington. They also support parent-school communication by acting as a liaison between the Lead Teacher and the parents, distributing information and addressing any queries via a Line group.

We believe that a collaborative approach between parents and the school is essential for the success of our students, and we are committed to providing various opportunities for meaningful parental involvement.
